

Dear Customer

January 2007

RIKEN TECHNOS would like to invite you to our booth in ZOW 2007.

Place : The exhibition Centre of Bad Salzuflen in Germany

RIKENTECHNOS booth : Hall 22-2 G9

Dates : 26.02. – 01.03. 2007, Monday to Thursday

Opening hours : Mon-Thu 9:00am-6:00pm

We will be proposing original items based on the technical and design strengths that have established RIKEN TECHNOS in the kitchen and furniture market for over fifteen years:

HIGH GLOSS COLOURS and WOOD GRAINS

We introduce new ranges of high-gloss single colour films, also suitable for mixing and matching in combination with woodgrain prints.

TWO DIMENSIONAL PROFILE WRAPPING FILM in HIGH GLOSS

Regarding 2D profile wrapping film, Riken has long experience of supply to the domestic market in Japan, where such foils have traditionally been in great demand.

We exhibit high gloss , long-lasting -UV cured- finish and some new designs.

STOCK ITEMS

We introduce stock items in Amsterdam such as single colours and woodgrains.

We would like to welcome you to our presentation.

Best wishes,

RIKEN TECHNOS EUROPE B.V.
