

# RIKEN TECHNOS WAY

The start-up spirit, which has been passed down since our founding days, represents the very strength of RIKEN TECHNOS CORPORATION and its "RIKEN-ness."

The RIKEN TECHNOS WAY, our company's management philosophy, was formulated based on this "RIKEN-ness."

The word "challenger" used in our company's mission statement is meant to convey two meanings—a manufacturer that produces high-quality products and an organization that takes on challenges to create new value and satisfaction for people, companies, and society.

To make future leaps, we will keep taking on new challenges, unconstrained by conventional wisdom.
