

RIKEN TECHNOS WAY

The start-up spirit, which has been passed down since our founding days, represents the very strength of RIKEN TECHNOS CORPORATION and its "RIKEN-ness."

The RIKEN TECHNOS WAY, our company's management philosophy, was formulated based on this "RIKEN-ness."

The word "challenger" used in our company's mission statement is meant to convey two meanings—a manufacturer that produces high-quality products and an organization that takes on challenges to create new value and satisfaction for people, companies, and society.

To make future leaps, we will keep taking on new challenges, unconstrained by conventional wisdom.

Mission

Mission and Purpose

We are a challenger that harnesses the power of science to improve the quality of life and create a safe, affluent society. We continuously provide new value and satisfaction to people, companies and society through our original and superior formulations and manufacturing technologies of multiple resins.

Core Value

Fundamental Values

We establish a bond of trust and work for the mutual benefit of all.
We create new value.
We enjoy our work and love what we do.
We work together to find solutions and produce the best results for everyone.

RIKEN TECHNOS GROUP Code of Conduct
