

Relationship with Shareholders

We greatly appreciate the support of our shareholders.

Initiatives related to General Meetings of Shareholders

RIKEN TECHNOS holds its general meetings of shareholders on days when many other companies are not holding their general meetings, to enable as many of its shareholders as possible to attend.

To ensure that our shareholders fully understand the meeting agenda, we send out the meeting notice early and post the agenda on our website before sending it out. Additionally, we have enabled voting through the Internet and translate the meeting notice into English to help our shareholders exercise their voting rights easily.

Policy on Distribution of Profits

RIKEN TECHNOS positions shareholder returns, achieved through improvements in medium- to long-term corporate value, as one of its key management issues. As such, we have set a dividend payout ratio of around 30% on a consolidated basis as one of our goals, and our basic policy is to distribute stable dividends while also taking into consideration various factors, such as future business investment and increases in equity capital. Based on this policy, the year-end dividend for the fiscal year ended March 2021 was 12 yen per share. As a result, the total annual dividend, including the interim dividend, reached 16 yen per share.
